**To whom it may concern**

Dear Sir or Madam:

**NOTIFICATION REGARDING THE ENVIRONMENTAL AUTHORISATION APPLICATION AND WATER USE LICENCING FOR  
THE CITY OF EKURHULENI: WETLAND AND WATERCOURSE REHABILITATION PLANNING PROJECT WITHIN THE  
RIETVLEI CATCHMENT**

The City of Ekurhuleni wishes to perform wetland and watercourse rehabilitation planning within the Rietvlei Catchment. The proposed project is anticipated to involve the maintenance or improvements to existing instream structures (gabions, weirs, culverts, etc.) as well as new instream structures with the aim of preventing further degradation of the wetlands and watercourses. In addition, various peripheral improvements are proposed in and around wetlands and watercourses such as walkways, playgrounds, litter collection points, waste removal and general rehabilitation of the natural environment. The aim of the project is to enhance wetland and watercourse functionality, improve water quality and provide for continued yet structured community use of the open space systems. The proposed rehabilitation projects are located along certain watercourses within the Rietvlei Catchment within the City of Ekurhuleni in Gauteng Province. Please refer to locality map.

Notice is given in terms of Chapter 6 of the Environmental Impact Assessment (EIA) Regulations, 2014 (GN R. 982) promulgated under the National Environmental Management Act (Act 107 of 1998) (NEMA), of an application for Environmental Authorisation (EA) for the Wetland and Watercourse Rehabilitation Planning Project along various wetlands and watercourses within the Rietvlei Catchment within the City of Ekurhuleni. The proposed project will trigger listed activities 12, 19, 27, 31, 48 and 67 in terms of GNR 983 and activities 12, 14 and 23 of GNR 985 which will require a Basic Assessment Application process to be followed.

A Water Use License Application (through the General Authorisation registration process) for Section 21 (c) and (i) water uses is also being applied for in terms of National Water Act (Act 36 of 1998).

As a potential I&AP, you are invited to register and comment on the project. Should you have any comments or input regarding the project, or should you require any additional information, please contact EIMS telephonically, or in writing by no later than the 7<sup>th</sup> March 2019 using the contact details below. Please refer to the EIMS website ([www.eims.co.za](http://www.eims.co.za)) for a copy of the Background Information Document (BID). Please include the project reference number (1230) in all correspondence. Furthermore, please note that only registered I&APs will be informed of any project information post this registration period.
