ENVIRONMENTAL NOTIFICATION REGARDING THE CLOSURE APPLICATION PROCESS FOR THE HARMONY MINING RIGHT FS/30/5/1/2/2/86

Notice is given in terms of Chapter 6 of the Environmental Impact Assessment (EIA) Regulations, 2014 (GN R. 982) for an application of closure under Section 43 of the Mineral and Petroleum Resources Act (MPRDA) for the Harmony Mining Right FS/30/5/1/2/2/86 (St Helena 10 Shaft). A single NEMA listed activity is anticipated to be triggered by this application: GNR 983, Activity 22.

Name of Applicant: Harmony Gold Mining Limited

EIMS Reference Number: 1234

Nature of Activity:

Harmony Gold Mining Company Limited (the Applicant – hereafter referred to as Harmony) has appointed Environmental Impact Management Services (EIMS) (Pty) Ltd as the Environmental Assessment Practitioner (EAP) to assist in preparing and submitting a Basic Assessment (BA) Report and conducting a Public Participation Process (PPP) in support of an Environmental Authorisation (EA) and to apply for a closure certificate from the Department of Mineral Resources (DMR) for the St Helena 10 Shaft which falls under the FS/30/5/1/2/2/86 Mining Right.

The PPP offers interested & Affected Parties (I&APs) the opportunity to obtain information, comment, raise issues of concern, and participate in the BA process. During this initial period, an advertisement will be placed in a local newspaper, and notices will be placed at central public locations. In addition, notification documents (letters, faxes and/or emails) regarding the proposed activity will be distributed to key I&APs (e.g. local authorities, landowners, national and provincial government departments, etc.).

Location:

The St Helena 10 Shaft is located on the remaining extent of farm Ongegend 13 located near the town of Welkom, in the Matjhabeng Local Municipality within the Lejweleputswa District Municipality in the Free State Province. The geographic coordinates at the centre of the proposed site are as follows: 26° 44' 42.18"E; 28° 3' 31.59"S.

Registration and Comment:

As a potential I&AP, you are invited to register and comment on the project. Should you have any comments or concerns regarding the project, or should you require any additional information, please contact EIMS telephonically, or in writing by no later than the 28th August, 2018 using the contact details below. Comments received will be included in a Public Participation Report (PPR) that will be submitted to the competent authority, the DMR during the BA process. Please include the project reference number (1234) in all correspondence. Furthermore, please note that only registered I&APs will be informed of any project information post this registration period.
